KARL-JOHAN TABLE LAMP

The Karl-Johan Table Lamp is inspired by excursions into nature. A search for wild mushrooms. The tones of an autumn forest. This soothing lamp combines the soft curves of glass with the stability of black marquina or smoked oak. The result is a poetic piece, a combination of tone and texture, dark and light.

About the designer Signe Hytte

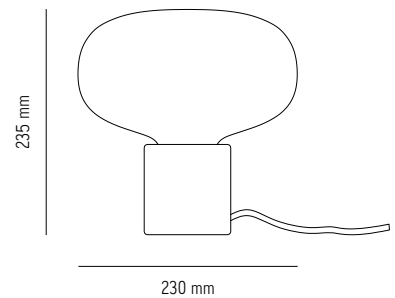

Emerging Danish designer Signe Hytte's work focuses on a paired down simplicity, reducing each piece to its essential core. Growing up with Scandinavia's design heritage in mind, Signe balances this history while offering a new take on contemporary designed objects, displaying a range of international inspirations. She views design holistically, with the beauty of her work often lying within its intricate detailing.
