*February 2020*

**Material Table, Wall & Pendant Lamp  
in Opal Glass and Stainless Steel**

*Noergaard & Kechayas*

# Material Table, Wall & Pendant Lamp in Opal Glass and Stainless Steel

*Noergaard & Kechayas*

With the Material Pendant being our most popular product since day one, we are more than excited to extend this strikingly minimalist range. The introduction of the Material Table Lamp and Material Wall Lamp allows you to bring the beauty of natural materials into every room of the house. Both products feature a pivoting head for added function, and a sleek black frame that places your chosen material front and centre. From the warmth of mixed cork and terracotta, to the textural concrete finish, the Material series is perfect for those intimate settings.

### *Materials*

Shade in mouth blown opal glass or mirror polished stainless steel, base in black powder coated aluminum with steel details and black PVC cord. Three-step dimmer on table lamp and on/off switch on wall lamp

### *Dimensions*

Table Lamp - H 450 x W 190 x D 250 mm

Pendant - H 140 x Ø 130 mm

Wall Lamp - H 230 x W 130 D 185 mm

## *About the Designer*

The no-nonsense design duo argues that great original design has nothing to do with price, but everything to do with the ability of its creator. That spirit of craft, combined with Nørgaard's reflective mind and Kechayas' "just do it" attitude, has made them a well-known name on the Danish design scene. Doing everything from elephant chairs to chameleon lamps in terracotta and kryptonite.

## *About New Works*

New Works presents a collection at the intersection between old and new. Light and dark. Design and art. Our work pays homage to the strong Scandinavian history of craftsmanship and materiality, whilst challenging the contemporary forms of today. We collaborate with an international group of renowned designers and artists, who display a matching fascination with sculptural forms and honest materials. These collaborative pursuits convey our love of the sensual, and of the bold.
